STAND UP AND BE YOURSELF

You have to be what you are-Individual-Independent & Free- Determined to be yourself in a world where the individual gets pushed aside. You must speak out for what you believe-Stand up and be yourself-Life is what you make for yourself, not what someone else does for you.

Sometimes you must fight with yourself, be alone with yourself but most of all have confidence in yourself. You live by what you believe. Believe in yourself and so will others. There is only one you. You have only one chance to be yourself.

Live for each day & each moment. Time is short. You can be only what you want to be. You are the key to your own success.

Individuality-You ask, "What is that?" It is you. It is what makes you special and beautiful. It is what sets you apart from everyone else. That is the part of you which keeps you going. It never lets you give up. You strive to do your best to be better than everyone else because you are an individual. Don't ever stop fighting for your individuality-always try, try, and try again. Never give up-lose your individuality and you lose your idenity. Fight for your individuality for it is your key to success.

Everyone has a role in the play of life. Some sit back and watch while others take charge. Some people are followers while others are leaders.

What makes everyone different? It is that each person is an individual and thinks and acts as an individual. Only you can get done what you want done. No one else will do it for you. You can sit back and get shoved aside or lost in the shuffle- or you can play your role in life.

DEDICATION

We the 1977 Oakleaves Staff proudly dedicate this edition of the Oakleaves Yearbook to a dear friend and leader. She has listened patiently and offered assistance to us throughout the years. Although to some she seems unimportant, without her friendly advice and concern Oakway just wouldn't be the same. We the Oakleaves Staff proudly dedicate this yearbook to Mrs. Nell Stone.

MISS OAKLEAVES

On October 15, 1976 the Miss Oakleaves Pageant was held in the High School Auditorium. The theme for the pageant was "Somewhere Over the Rainbow."

It will always be a night to remember for one special young lady--Patsy Land. Judged for her excellent poise, personality projection, and smile, Patsy was chosen Miss Oakleaves by a panel of five judges.

Crowned by last year's queen, Jan King, Patsy was shocked and surprised but most of all very happy.

The daughter of Mr. & Mrs. R. H. Land of Oakway, Patsy is a Capricorn. She enjoys reading, sewing, and dancing in her spare time. Most of all Patsy enjoys being with people and believes you should be friendly to everyone.

Kim Ables, third-runner up, plans after graduation to study Interior Decorating. She is also interested in Cosmetology.

Chosen by her fellow Senior contestants for her all around friendliness, Eunice Black rounds out the court as Miss Congeniality. The youngest of 11 children, she is the daughter of Mr. and Mrs. W. L. Black of Fairplay.

Chosen Miss Junior in the Oakleaves Pageant was Nancy Honea. An animal lover, Nancy would like to become a teacher of retarded children.

Miss Sophomore is Denise Smith. In her spare time she enjoys horseback riding. After graduation, Denise plans to study to be a secretary of teacher.

CLASS BEAUTIES

HOMECOMING — 1976

Homecoming festivities, sponsored by the Student Council, were held on Friday, September 17, during the halftime of the Oakway-Lockhart football game.

Kathy Johns was chosen Homecoming Queen 1976 by the football players. Sponsored by Senior football player, Frank Ables, Kathy was crowned by last year's Homecoming Queen, Karen Grubbs, assisted by Vice-Principal Jim Abrams. Crown bearer for Homecoming was Paul Abrams and flower girl was Sennah Cole. The Oakway Band provided background music for the progam.

The daughter of Mr. & Mrs. Richard Johns of the Retreat Community, Kathy's favorite color is blue, her favorite food is cheese pizza, and in her spare time she enjoys painting. Starting off the season, the Rebel girls weren't expected to do very well. Many people said they were young and inexperienced. But the Rebel girls played in the County Tournament and almost defeated arch rival Tamassee-Salem. The girls played like an experienced ball team that had been playing together for many years.

Even though the team may be young they make up for their inexperience through their desire, hussle, determination and their teamwork. By working hard and as a team the Rebel girls have showed everyone that they can play ball with anybody and even beat them.

Although there have been up and down moments thus far for the team, they have at least accomplished one of their goals-- they have proved that they can play ball and play it very well.

The Rebel boys are on the track. After a couple of frustrating seasons the boys have put it all together and are winning. Some of last years outstanding J.V. team have proved to be assets. Leadership has been a major factor with 5 Seniors returning to the squad. With this leadership, experience, and determination the boys are sure to go all the way. Point production has been a big factor in winning for the boys. So far they are outscoring their opponents by quite a margin. Everyone has also been getting in on the scoring. By their hard work, the boys are now one of the outstanding teams in the county.

J.V. GIRLS

The J. V. girls have been working hard and it has been paying off. Although a young team, they have been improving with every game. With determination and hard work, nothing but success lies ahead.

These girls will one day be our future varsity players. We are very proud of this team and would like to thank them and Coach Burdette for representing our school so well.

J.V. BOYS

After losing only one game last year, the J. V. boys are again on the winning track. Although this is the first year for many on the team, they are doing a good job putting it all together. With each game valuable experience is being gained by each team member. These are our future stars and they will be stars because of the time and determination of the team and its coach, Jim Abrams.

FOOTBALL

What does it take to play football-skill, strength, speed, courage, determination, stamina? It takes all these qualities and a lot more. Most people don't know how it feels to be hit, tackled, or clipped from behind in a game. Only those who have played know how much it takes out of you; and when you have to play offense and defense it takes that much more. It not only wears you down physically, but mentally as well.

1. Stanley Johnson sacks the opposing quarterback. 2. Coach Bryant and Coach Swain discuss the action on the field. 3. Alan Ables carries the offensive play. 4. Mr. Dalton gets a Birds-eye view with his camera. 5. Frank Ables gets ready for the next play. 6. Donnie Lecroy's face reflects the tension of the game.

The Oakway Rebels have had to deal with all these things in the years each team member has been playing . . . The number of players on the roster have usually numbered around 20 or fewer each year. So most of the players have had to play the whole game.

Even though the Rebels only won one game out of nine this year, they never got blown out of any game. The scores were close most of the time and in a number of games the score could very well have been reversed with Oakway on top.

The Rebels always hung in there and never gave up. Everyone gave 100% and even though it isn't shown in the win-loss column this was the best season ever in the history of Oakway football, not only because we won our first game but because Oakway was competitive this year. Each team we played had to play their best to beat us.

The Seniors, Frank Ables, Tim Taylor, Harvey Price, Curtis Price, Eddie Martin, Rodney Burdette, Don Morrow, and Donnie Lecroy have contributed alot to the football program at Oakway along with the others. They have much to be proud of and they should really be admired for having all the qualities it takes to play football.

1. The Rebel Defense stops another play 2. The cheerleaders and band await the arrival of the team. 3. Curtis Price runs the end reverse. 4. 1976-1977 Rebel football team: ROW 1: Donnie Lecroy, Alan Ables, Willie Spearman, Harvey Price, Stanley Clark, Robert Taylor, Stanley Johnson, Doug Oglesby, ROW 2: Coach Bryant, Charles Johnson, Eddie Martin, Richard Burke, Edward Bowen, Rodney Burdette, Harvey Morton, ROW 3: Jamie Honea, Curtis Price, Frank Ables, Tim Taylor, Jeff Moore, Don Morrow.

OAKWAY WINS FIRST GAME

The opposition was the McDuffie Scots; the place was McCant Field; the date was Saturday, October 9, 1976. These three things will always be remembered by the 1976 Oakway Rebel football team, the coaches, and countless fans for it was then that Oakway beat Mc-

Duffie 18-6 for our first win ever.

It took four winless seasons and some 30 defeats before the first win came. In those four years the players suffered through many practices, sweat, injuries and put downs. But no one gave up. They held their heads up and worked harder each day to improve themselves for the first win.

Defense was the key to the win. They caused countless fumbles, made interceptions, and blocked a punt. They held McDuffie to just 6 points and those came in the first half. Two of the three touchdowns were scored by the defense.

It was the whole team that won the game though. And even though it was the first win on the record books all of the players have been winners from the start. They had to be to hang in there and keep on fighting.

The first win will always be remembered and most of all it will be remembered as the first of many, many more to come.

Congratulations to all the players, Coaches Bryant, Swain, and Abrams on a job well done.

CHEERLEADERS

Making posters . . . getting bruised knees and pulled muscles . . . giving football players Lifesaver lollipops . . . These are just a few of the things that have kept the cheerleaders busy this year. No one will

ever forget the falls on the gym floor, doing a cheer 10 times to get it right, the fun, laughter, sadness, tears.

The cheerleaders attended NCA Cheerleading Camp at Furman in August. This was the first year in the history of Oakway that a squad brought home a spirit stick. They also received 5 ribbons for their performances.

We have had a very dedicated and enthusiastic squad this year. The girls have worked many hours to improve themselves; they never gave up. We feel our cheerleaders have done a fine job of supporting our teams and promoting school spirit.

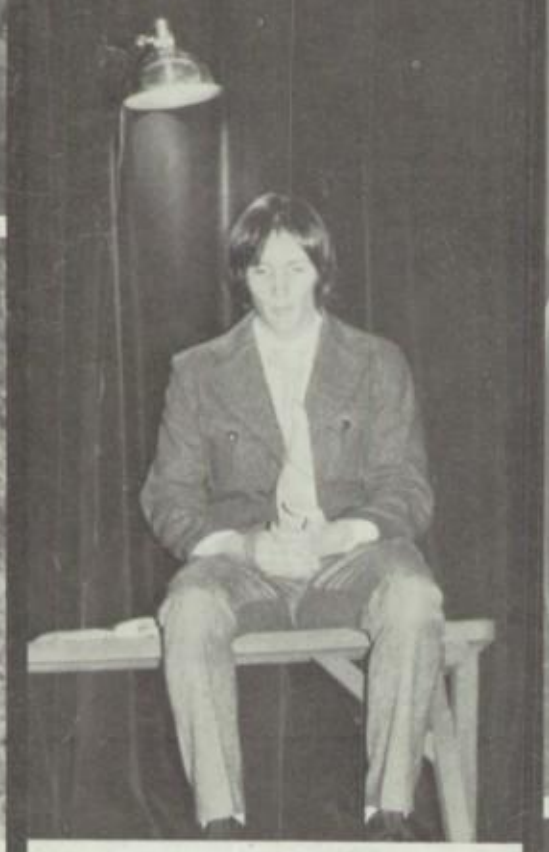
HAPPY DAYS . . . .

Today is the full bloom of life. The petals of yesterday have shriveled into the past; tomorrow is an unopened bud that may be blackened by frost of fate. The future is but a seed, not yet planted, of unknown quantity. But today - today is a gorgeous blossom of beauty and fragrance.

Today is a new page in the book of life. Upon it, and upon it alone, you can write a record of your accomplishments. But once turned, it is gone forever.



GIRLS SOFTBALL

The Rebel softball team got off to a late start because of rainy spring weather. After things got going they did pretty well. Under the direction of Coach Brenda Burdette the girls had a season of 6-6. Walhalla and Liberty each forfeited a game to us. This was the first year the team had played fast pitch, so many of the rules were different and new. All season the girls worked hard at pitching, throwing, batting, stealing and sliding to get ready for the district tournaments. The tournaments were played at Palmetto. This was our first year to play in them. Although they didn't win, the team represented our school well and showed good sportsmanship.

A NIGHT TO REMEMBER

A special, exciting time- a night that deserves a special dress, a rented tuxedo and fresh flowers. "Tonight's the Night" was the theme, carried out with a black and silver color scheme. Shimmering columns of icicles flowed throughout the room. Souvenir gifts were presented to the Seniors by the Junior class officers. "Cracker" from Charlotte, N.C. entertained with some very exciting disco music!

May 7, 1977 will always remain a very special night to many Juniors and Seniors in years to come!

BASEBALL

The Oakway High Baseball Team had its ups and downs in the 1976-1977 season. The Rebels finished up the season with an overall record of 7-10.

Although the Rebels lost more games than they won, this season must be considered a winning and successful one. Under the guidance of head coach Radge Duncan and assistant coach Randall Spiva, and with the help and leadership of six seniors on the squad, the team improved tremendously in almost every aspect this year on offense and defense.

This year's team scored more runs than ever before, stole more bases, decreased on the number of strike outs and had the highest team batting average in the history of Oakway baseball.

These improvements along with the ability to work together as a team, carried the Rebels to second place in the conference and earned them the right to travel to Lockhart for the district playoffs for the third straight year.

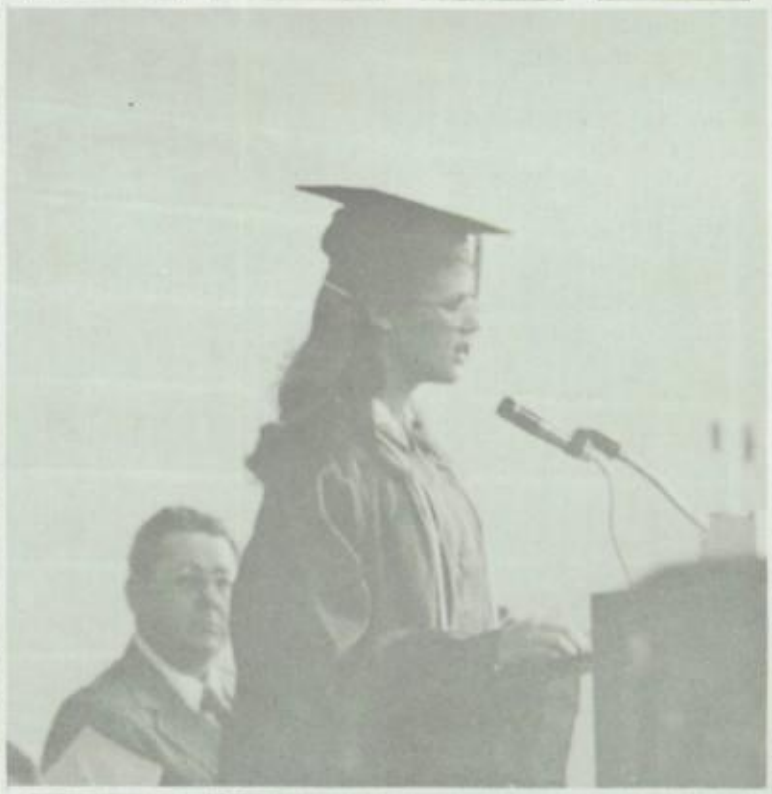
ON YOUR MARK! GET SET! GO!!!

"On your mark, get set, go!" was the cry heard most often at the 1977 Field Day. Water balloon throwing, three-legged race, sack race, and tug a war were some of the special events offered to students and faculty. The pie eating contest was the highlight for the Seniors, and was won by Harvey Price.

ELEMENTARY ACTIVITIES

GRADUATION



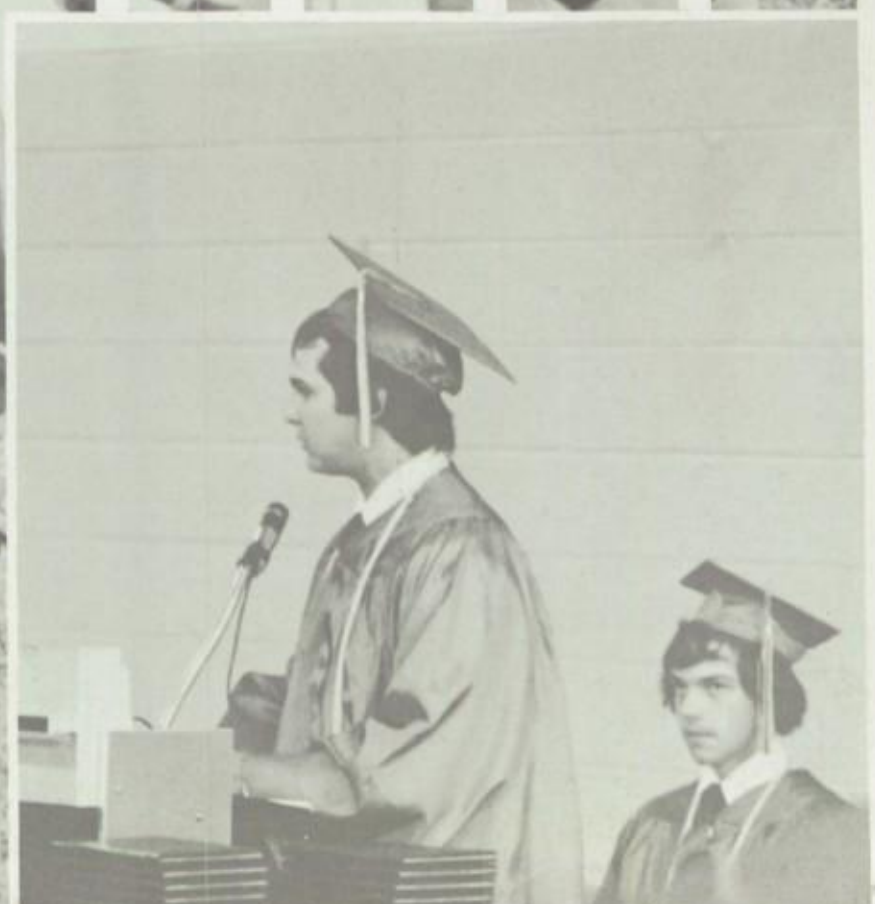
If I could capture
this moment;
Oh, if I only knew how,
I would lock it away
as a treasure
Just as it's happening now.

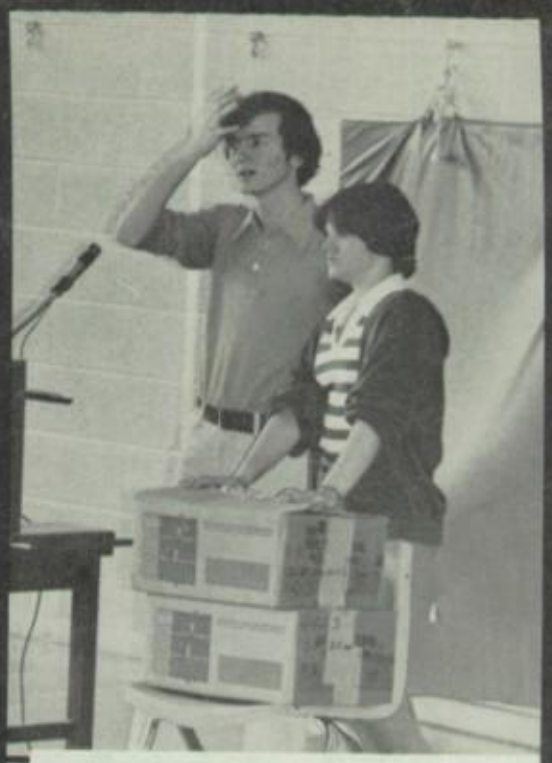
I would keep it safe
from prying eyes
Under lock and key.
And when it has aged
as vintage wine,
It would become a memory.

But if I could keep
it living
Just as it is today,
I could set it free
to relive it
Then quickly lock it away.

And when our children
are older
And already on their own,
I could bring out
our memory box
And never feel I'm alone.

Lisa Wilkinson





Today is yours, an unmeasurable treasure house of golden opportunities, a sea of unfathomed possibilities, a forest of building prospects. Today is the clear note in your song of life.

There are fourteen good, active hours in today, and each day. This leaves ten hours for thought and rest. No man has yet discovered the limit of accomplishment that may be crowded into a day. Today is yours - use it.

The pure, the beautiful, the bright,
That stirred our hearts in youth;
The impulse to a wordless prayer,
The dreams of love and truth;
The longings after something lost,
The spirit's yearning cry;
The striving after better hopes-
These things can never die.

CLOSING

CAPTURE YOUR DREAMS

Yesterday has come and gone and time has quietly slipped by us. We look back and wonder where all the days have gone. It seems as though it was just yesterday when we started to school. There are no more yesterdays; just the memories of how it was. We can only look forward and strive to be the best we can be. Learn from your mistakes and change the world. You can do it if you try; you can become what you please. Work hard but enjoy the good times when you can. Make the best out of life; It's not too hard to do. Capture your dreams and make them come true.

MEMORIES OF YESTERDAY

The year is almost over and soon everyone will be going their separate ways. We look back over the past year and remember all the special moments we shared with one another. The smiles, the tears, the laughter, the victories and the defeats. Each one of us grew closer through the days and soon we realized how special each individual was. We learned to respect, love and share with one another. We grew with one another from day to day. Now for many it is time to leave; but they will always cherish and store away the memories of yesterday.

Hail! to Oakway down in Dixie,
A school that's honored fair and true.
The blue and the gold is our standard,
Proudly it waves,
Streaming today as in ages through.
She's the fairest in the Southland,
We'll pledge our love to her for aye.
To a school so dear, we'll sing a cheer,
All hail to dear old OHS.
